WORK EXPERIENCE

FSc Subject Teacher

The Roses School System

Attock, Pakistan

Jan 2024 – Jun 2024

- Taught Computer Science, English, Pakistan Studies, and Islamiyat to FSc (Grade 11–12) students across multiple classes.
- Prepared and delivered lesson plans aligned with the Federal Board curriculum and Intermediate exam requirements.
- Tracked student progress through regular tests and communicated performance updates to parents and school management.

Online Subject Teacher

Self-Employed

Islamabad, Pakistan

2024 – Present

- Teaching Computer Science, English, Physics, Pakistan Studies, and Islamiyat to FSc level students via Zoom and Google Meet.
- Designed online lessons with visual aids and practice papers tailored to the Intermediate board exam syllabus.
- Maintained regular communication with students and parents to monitor progress and address learning gaps.

Private Tutor

Self-Employed

Islamabad, Pakistan

2023 – Present

- Providing one-on-one tutoring in Computer Science, English, Physics, Pakistan Studies, and Islamiyat for FSc and Intermediate level students.
- Helped students improve grades and exam confidence through focused practice sessions aligned with board exam

patterns.

KEY ACHIEVEMENTS

- Prepared multiple FSc students for board exams with improved results across core subjects.
- Built a consistent base of online students over one year through referrals and positive feedback.
- Developed reusable notes, worksheets, and practice papers aligned with the Federal Board Intermediate syllabus.
- Maintained strong student retention in online sessions through interactive methods and regular follow-ups.
